The Yarmouth karate challenge is an annual Karate tournament with it's origins going as far back as 1985. In it's hay day there were over 150 competitors from all over the province. It was resurected in 2000 and has shown itself to be a competitor's favorite. Clubs compete against each other to win the coveted Yarmouth Challenge cup. Numbers are growing every year where they now again exceed 100. Help make this years challenge the best yet.

Who will be bringing home the cup this year?
